DOODLE FOR GOOGLE!

DOODLES.GOOGLE.COM

Google is accepting Doodles and will select a national winner, finalists, and state/territory winners. Students will be grouped and judged by age group, kindergarten through twelfth grade. This year's theme invites kids to show what they hope for in the future. Classrooms on Mars? Shoes that can fly? Food for everyone? A pill that cures everything? Take your ideas and put them into your Doodle! Complete details at Doodles.Google.com
