## Admission Guidelines

*Admission to Faith Christian Academy is guided by the following:*

Parents should have a desire that their child (ren) be educated in a Christian education setting.

Parents are willing to take an active role in the education of their child by supporting the teachers and administration.

Parents must agree with the “Statement of Faith” and agree wholeheartedly to the “Parent’s Commitment.”

The parents must be willing to follow and support the policies of the school.

For those children in grades six and above, consideration is given to the desire of the students and their willingness to follow the guidelines of the school.

Admission to Faith Christian Academy will also be determined by whether the school can accommodate and meet the individual learning needs of the child.

*Faith Christian Academy does not discriminate in the admission of students, or hiring, on the basis of race, color, sex or national origin or ethnic origins.*

Faith Christian Academy is a religious institution providing an education in a distinct Christian environment, and it believes that its biblical role is to work in conjunction with the home to mold students to be Christ-like. On those occasions in which the atmosphere or conduct within a particular home is counter to or in opposition to the biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student. This includes, but is not necessarily limited to, living in, condoning, or supporting sexual immorality; homosexual acts or sexual orientation; promoting such practices; or otherwise the inability to support the moral principles of the school (Leviticus 20:13a, Romans 1:27, Matthew 19:4-6).
